

# Spot Light™

## Spot & stain remover

Highly efficient cleaner which will quickly remove spots & stains from carpets & upholstery.

Produces an absorbent foam which suspends soil & emulsifies fats & oils.

Suitable for use on colourfast carpets & furnishings.

- Ready to use fast & effective spot & stain remover.
- Contains a pleasant residual perfume.
- Suitable for removing a variety of stains including oil, grease, beetroot, felt tip pen, curry, fruit juice, fresh tea & coffee.

### STAIN REMOVAL:

Check for colourfastness by wetting a white cloth with product & rubbing an inconspicuous area. The cloth should remain unstained.

Spray sparingly onto stain & leave for 1 minute. Do not overwet. Blot the affected area using a disposable paper towel.

Difficult stains may need a second application or gentle rub with a soft brush, working from the outside edge into the centre, to avoid spreading the stain.

Once the stain has been removed, rinse well with clean water & blot the area completely dry. Shampoo carpet or fabric if required.
